OVERVIEW

Droidedge consulting is an IT Company that specialize in training, development, customization, implementation, and on-going support of business management software systems.

We are driven by innovation. We have experts with different skills set to enable us to serve our clients better in different sectors of the economy.

DroidEdge Consulting is a leading Sage X3 ERP, Sage 300 ERP (Accpac), Sage CRM, Sage 50c and Quickbooks solution provider in Nigeria. Based in Lagos, DroidEdge Consulting is a Sage partner with vision is to deliver innovative, tailored information technology solutions and services that contributes to the customer's success.

Understanding the importance of IT solutions, we have deployed up-to-date technology skill, hands-on experience, effective methodology and passion for excellence to deliver quality service to customers in diverse domains. Since inception, we have been privileged to support several companies, and inspire them to see opportunities in business challenges.

Our team comprised of software consultants, CPAs, and IT experts focused on helping small– to medium-sized businesses (SMBs) become more efficient, self-reliant, and profitable.

We deploy cloud, SaaS, hosted, online, and on-premise software solutions. From accounting, ERP, CRM Software, Communication and Messaging Solutions, Asset Management, Business Productivity Solutions , business insight tools, HR/Payroll management, eCommerce solutions, and much more.
